

Elected Office 101: A Workshop for Candidates Considering Local Office

Thurs, Nov 15, 2018
5:30 to 8:30 p.m.

at the Northern
Great Lakes
Visitor Center

Elected Office 101 was a great success!

Nine facilitators and twenty-four participants spent the evening in small-group discussions on important topics like "Finding Common Ground" and "Responsibilities of Local Office". Participants included people interested in running for office in the future, and folks interested in learning more about how to recruit and support potential candidates.
